A man's maturity: that is to have rediscovered the seriousness he possessed as a child at play.

— Nietzsche

Ever since I was little

my princess-like life has been subject to many people's envy.

Chapter 1

Also, the center of all lies a really big birthday cake.

And the birthday presents I get are always so fluffy and sparkly.

I live in a house that looks like a castle

But,

I don't want any of them, *at all.*
